Earn graduate credit through VanderCook College of Music by attending the 2010 Mariachi Workshop, hosted by MENC.

**7109 – MARIACHI I:** Expand enrollment and provide additional opportunities for music-making in your school's music program by offering Mariachi at your school. Participants in the Mariachi I course will be provided with sample materials so that they may present the concept to district administrators, principals, parents, and fellow educators. Resources that will be provided include curriculum documents, beginning level musical arrangements, recordings, historical text, list of contacts for instruments, uniforms, and clinicians and lots lots more! Participants will have the opportunity to learn to play the guitarron, vihuela, and mariachi guitar in authentic style including ranchera, son, bolero, etc.

Those with band background should bring a trumpet to the workshop and those with string background should bring a violin. Guitar teachers should bring their own guitars. Guitarrones, vihuelas, and guitars will be provided.

Emphasis will be placed on ensemble performance in order to apply the stylistic skills learned and, subsequently, taught. Participants will walk away with newly-acquired skills and materials so that a mariachi program can be introduced successfully into their school's comprehensive music program

**7110 – MARIACHI II & III:** The Mariachi II & III courses have been designed for those who have taken the Mariachi I or II courses or those who already have some experience teaching/playing mariachi. Participants will be provided with sample materials for the more advanced mariachi forms including Bolero Moruno, Son Abajeño, Son Jalisciense, Son Jarabe, Son Jarocho, Huapango, and Joropo. Resources that will be provided include curriculum documents, intermediate level musical arrangements, recordings and lot, lots more! Participants will have the opportunity to enhance their skills on guitarron, vihuela, and mariachi guitar through more individualized instruction.

Those with band background are asked to bring a trumpet to the workshop and those with string background are asked to bring a violin. Guitar teachers should bring their own guitar. Guitarrones, vihuelas, and guitars will be provided.

Emphasis will be placed on ensemble performance in order to apply the stylistic skills to be learned and, subsequently, taught. Participants will thus walk away with new materials to use in their school's comprehensive music program.
